BOMBARDIER SNOWMOBILES PROVIDE THE ANSWER TO YOUR WINTER TRANSPORTATION AND TRAVEL PROBLEMS

AMBULANCE :

Bombardier snowmobiles render invaluable service as ambulances in all sorts of emergencies: storms, snow blocked roads, etc.

SCHOOL BUSES :

Many school boards have adopted the Bombardier snowmobile to convey children to and from school during winter and early spring.

TRANSPORTATION :

For wintertime general delivery, nothing can beat a Bombardier. The snowmobile can be loaded with goods or hitched on to a sleigh to deliver supplies in isolated regions with ease and total dependability.

RESCUE WORK :

Countless people owe their lives to the timely help brought to them during or after snowstorms by rescue parties using snowmobiles.

POSTAL SERVICE :

Isolated communities, even in the most remote districts, can enjoy postal delivery every day with a snowmobile.

PUBLIC UTILITIES :

Efficient telephone and hydro-electric service is maintained at all times by companies who use the snowmobile to answer service calls during storms, and in off-highway places.

FISHING :

Bombardier snowmobiles are a boon to commercial fishing. They can carry fresh fish to consumers or shipping points rapidly and efficiently.

DOCTORS :

No country doctor need now be handicapped by weather or ground conditions in spring, fall, or winter. He can speedily answer any call in a Bombardier snowmobile.

PROSPECTORS :

In their search for claims, many prospectors have found the Bombardier snowmobile an indispensable ally over snow and marshy grounds.

SPORTS :

Anglers, hunters, skiers, guides, fishing resort operators find things much more enjoyable when they travel in a comfortable Bombardier snowmobile.
